MARKET NEWS

We welcome to the Farmers Market Team Liz Fleming who will be managing our marketing and social media.

Audits will be undertaken over the next couple of markets to ensure that stallholders have up to date test tags attached to electrical equipment. Gas appliances will also be checked to ensure in suitable condition.

We will be updating email addresses and contact details with stallholders to ensure information that we have is up to date.

We will be implementing a new payment system where invoices will be emailed to stallholders prior to the farmers market being held. This will most likely occur from January 2021.

If you are unable to attend the market, please contact the Market Manager on 0409 232 715 at least 3 days prior to market day.

Why are ghosts such bad liars?
Because they are easy to see through.

“Mom, the kids keep making fun of me, they keep laughing that my teeth are too big!” -
“Oh Jamie, never mind them and how many times do I have to ask you to try not to speak indoors, look, you’ve scratched the whole floor again!”

You know why you never see elephants hiding up in trees? Because they’re really good at it.
